

Doc and Patti directly that they
were being harassed or
otherwise felt uncomfortable?

ever said the word harassment but

Who did you tell?

They are literally claiming no one
ever told them

Ever

Yet they had a mediation with
you and Quinn? lololol

I have a big mouth. Everyone knew. I
directly told everyone

Including Doc and Patti?

Well, Doc is claiming he didn't know about any of these accusations. Ever

And we each had certain people we were comfortable with that then relayed messages

I may have talked to Scott too.

Yeah no he knew for sure... sigh
